

How You Can Help

What is right for you? Only you can provide that answer. We ask you today to join the thousands of other Lakes Region residents who want to build a stronger, healthier community by working together to make a difference.

\$2 a week will help provide nutrition for ten days for an elderly resident of our community

\$4 a week will help provide five nights of shelter for a family in crisis

\$10 a week will help provide two weeks of after school programs for a teenager at risk

\$20 a week will help provide quality childcare for a month for a working family
