

Lakes Region United Way Discount Prescription Drug Card

Using the card is as easy as 1-2-3 !

1. Fill in the front of the card right on your computer. Click in the top field and enter a unique patient ID number, which can be your initials and last four digits of your phone number. Click on the lower field and enter your name on the card. You may also choose to handwrite your information in after you print the card.
2. Print your card, cut out along the dotted lines, and keep it in a handy location.
3. Present the card and your prescription at any participating pharmacy, including most national chain stores.

Rx Discount Prescription Drug Program
